

**WE are VERY EXCITED to EXPAND OUR ACT PREP PLUS SESSION OFFERINGS at MHS to 6 SESSION CHOICES throughout the 2011-12 SCHOOL YEAR, INCLUDING ONE this SUMMER!**

ACT Prep Plus is a program providing students with a distinct competitive edge on the ACT. ACT Prep Plus is offered at McFarland High School by our very own and well trained educational experts. We are offering two time choices for each session to accommodate students with busy schedules. Each class provides tips and strategies to conquer the ACT while focusing on specific core areas that ACT assesses, with two classes devoted to math. During the final class, students experience an entire practice ACT on a Saturday morning – just like the real thing! Students receive immediate feedback and are then able to learn from their mistakes, giving students time to make additional improvements before taking the actual ACT exam.

Students, who take the course seriously and follow our recommendations, which include study and practice time outside of class, significantly improve their ACT scores. After taking the course, students have shared that ACT Prep Plus is “very well organized” and “I feel more confident now and know what to expect on test day.” One senior claimed, “I just retook the ACT again after taking ACT Prep Plus...this is the best score I have ever earned!”

**ACT Prep Plus costs \$140 total** (this is only \$20 per class and less than \$10 per hour). Students and parents agree that ACT Prep Plus is well worth the price, and ACT Prep Plus at MHS costs far less than other college-prep programs (places like Huntington charge \$180 for the initial evaluation and up to \$90 per hour for tutoring). We highly recommend that all junior and senior students, planning to take (or retake) the ACT, take advantage of ACT Prep Plus at MHS. There is limited space available for each session, so don't delay – once a session is full, it is closed for enrollment.

**The deadline for signing up for the next session is July 1<sup>st</sup>, 2011.** Signing up after July 1<sup>st</sup> for the summer session (if a seat is still obtainable) will result in a \$10 late fee.
