A Nationwide Free Life Skills and Golf Instruction Program for Children of National Guardsmen and Reservists

The First Tee Life Skills and Golf Instruction Voucher

The First Tee Offer to Military Families

Times of mobilization and extended deployments for National Guardsmen and Reservists can disrupt their lives and those of their children. During these challenging times, The First Tee and its 200 Chapters across the country are proud to partner with the Department of Defense and extend no cost golf and life skills instruction to the youth of our National Guardsmen and Reservists.

Children of National Guardsmen and Reservists are invited to participate at Chapters of The First Tee to learn valuable life and golf skills from trained coaches. There are five levels to The First Tee Life Skills Experience and youth of all skill levels, from beginner to advanced, are welcome to participate.

The First Tee Lesson Levels Available

Each level of The First Tee is comprised of six to nine core lessons that are delivered in fun, interactive 60-90 minute classes. Valuable life skills instruction is integrated into each class and focuses on topics such as interpersonal skills, managing emotions, goal setting and overcoming obstacles. Classes also include age appropriate golf activities and golf skill instruction to engage and develop young golfers. Listed below are the two introductory levels of The First Tee Life Skills Experience that are available to children of National Guardsmen and Reservists:

TARGET - (5 years & up)

An introduction to The First Tee Life Skills Experience; provides a fun and safe environment that creates curiosity about the game of golf.

PLAYer - (7 years & up)
