Discontinued Retest Funding

All military categories of examinees taking exams after May 20, 2010 who do not receive a passing score will not be allowed to retest as a DANTES funded candidate on a previously funded exam. They may personally fund a retest after waiting the requisite period of time. Examinees must wait 180 days from the last test date to personally fund a retest of the same title. If an examinee tests before the 180 period the score will be invalidated and the test fee will not be refunded.

Is this a retest? _____ YES _____ NO

If YES provide the title and date of last exam.

Score Reporting

Scores for the funded military test takers are sent to the Department of Defense on a weekly basis. They are then distributed to the respective branches of service. Upon completion of the exam a copy of the score report will be sent to the Wisconsin Department of Military Affairs Headquarters Education Service Officer.

I have read and understand the above information prior to testing.
