

CITIZEN SOLDIER FOR LIFE

The Army National Guard - Citizen Soldier for Life (CSFL) Program familiarizes service members and their families with the skills necessary for a fulfilling military career. The program provides training and education on financial literacy and career readiness standards in efforts to enhance the personnel readiness, retention, resilience of the force and creates tight-knit partnerships with community, state and national employers in efforts to boost employment opportunities for our Soldiers and their families.

Career Readiness Counselors (CRCs) are deployed in the 50 States, 3 Territories and District of Columbia providing eligible members with the assistance, skills and knowledge they need in order to achieve career, personal and financial goals through out their initial, service and transition phases of their military careers.
